Not sure what you're looking for? Head to the nearest Herman Miller store to get a personalized chair fitting with a Performance Specialist.

Aeron

For the Perfectionist

Exceed your expectations. With ultra-adjustable settings, eight latitudinal zones of varying tension to provide back and seat support, and three sizes, Aeron satisfies the pickiest sitter for a flawless, personalized fit.

Aeron Chair ~~\$1200~~ \$1200

Better Movement for All

Hit your career and health goals with one desk. No matter your work style, keep moving 9-to-5 with our sit-to-stand bestseller.

Renew Desk ~~\$1200~~ \$1200

Cosm

For the Exceptional Generalist

When no two days look the same, trust Cosm's reliable support. Its highly responsive elastomeric suspension material and seat and move-with-you tilt mechanism are ready for anything and anybody—no adjustments needed.

Cosm Chair ~~\$1200~~ \$1200

Mirra 2

For the Multi-Tasker

Jump from task to task with our responsive Mirra 2, designed with a Loop Spine and Harmonic 2 Tilt mechanism that seamlessly move with your body and allow you to stretch and reach laterally.

Mirra 2 Chair ~~\$1200~~ \$1200

Embody

For the Marathon Sitter

Stay in the zone. Embody delivers ergonomic comfort that won't quit with its ultra-precise pressure-relieving pixelated back support, cooling foam, and smooth tilt mechanism that mimics the body's natural pivot points.

Embody Chair ~~\$1200~~ \$1200

Sayl

For the Multi-Tasker

Sayl's flexible, elastomeric back, inspired by the Golden Gate Bridge, provides the greatest tension at points where support is needed and the least in areas that allow for the most expansive range of motion.

Sayl Chair ~~\$1200~~ \$1200

A New Standard for Ergonomic Seating

12-Year Warranty

Designed to support you for the long haul, through career pivots and promotions.

70+ Years of Seating Innovation

Shaped by scientific research, input from dozens of experts, and a mission to inspire the best in people.
