What is One Medical Seniors?

We are a primary care provider that focuses on caring for adults on Medicare. So whether you need a quick checkup or a plan to manage a chronic condition, we're here to get you the care you deserve. And with offices in your area – as well as virtual visits – we make it convenient for you.

What does that mean for me?

Get ready to experience care that's built around you – your schedule, your needs, and your health goals.

With One Medical Seniors, you get:

Senior care, A to Z:

Get the care you need, whether you need a flu vaccine or mental health support.

Round-the-clock access:

We offer convenient same/next-day and virtual visits. Or you can call us 24/7.

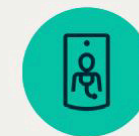

Your very own care team:

Your dedicated team coordinates your care across hospitals and specialists.

No surprise bills:

All our preventative services are covered by Medicare at no additional cost to you.

Convenient online support:

Download the One Medical app or visit our website to schedule appointments, renew medication, and more – all from your phone or computer.

How can I get started?

Give us a call at **866-440-0192** and we'll get you booked in minutes. We'll even help you set up an online account through a unique link so you can manage your care on our **One Medical app or website**.
